

Below are the short links for SCI Level 0, accompanied by a QR code. Most iPhones and Apple devices have automatic QR code scanning enabled when you open your camera app and align the QR code in the center of the camera frame. If your phone does not support this automated feature, you can download a free QR code reader app. Otherwise, you can simply keep this file digitally and click on each link as they are needed.

A/B1: ORGANIZATION Session 3
